A message from Linda:

I would like to thank all the members, their family and friends that came out to help with our Temperament Test, CGC and CGCA. We had a great turn out! There were 25 dogs entered and 24 tested in the Temperament Test. Eleven were entered in the CGC and CGCA! Thank you Stefanie for judging. Our picnic was a great success, plenty of food and great people. A big shout out to John Vaught for doing all the grilling! Thank you Karla for handling the food list, we had all kinds of great salads and desserts! I believe a good time was had by all that attended. Thank you All!
