

AKC Judge, Jim Helems and the GSDCGNH
Present
“You are the brain - Your dog is the nose”

Morning Classroom:

Scent theory, Search techniques & leash handling (will probably be different than what most teach) Aging dogs - health (some dogs aging out) a common topic when teams are getting into master/detective levels. Mistakes handlers make.

Working secession:

Run 12 working dogs in a detective search. If time allows, small searches, And a briefing to include odor movement using smoke device.
